- For the inverter, a standard five-year warranty for all parts.
- For the battery, a 10-year warranty applies. Here's the breakdown:
 - a) In the first year, if there is an issue with the battery cells, they will be directly replaced with new ones;
 - b) From the second to the seventh year, the battery will be repaired first, and if the repair is unsuccessful it will be replaced;
 - c) From the eighth to the tenth year, only free inspections are provided, excluding labor charges and parts fees.

3. WARRANTY CONDITION

If a device becomes defective during the agreed felicityESS warranty period and provided that it will not be impossible or unreasonable, the device will be, as selected by felicityESS:

- repaired by felicityESS, or

- repaired on local maintenance center, or
- exchanged for a replacement device of equivalent value according to model and age.

In the latter case, the remainder of the warranty entitlement will be transferred to the replacement device. In this case, you do not receive a new certificate since your entitlement is documented at felicityESS.

4. HOW TO CLAIM

- Please report the defective device to your supplier with this warranty card and pre commissioning completed
- Supplier is required to send the warranty claim form to felicityESS or Authorized service partner with all the necessary information
- Customers must present this warranty card, purchasing & Installation invoice, and other related materials as well if required
- Please note felicity reserve the ultimate explanation right on this warranty card

5. EXCLUSIONS
